80 This matter has been pending for a very long time. It has now, however, reached a stage when it can be decided. It has been verified that the balance to the credit of this institution consists of two items: (1) a sum of Rs 3,861-3-0 which was first under Revenue Deposits, then lapsed, and has not been revived; (2) a sum of Rs 4,964-0-0 which was ordered (vide G.P. dated 26th November 1915) to be invested as a permanent endowment fund for the benefit of this institution with permission to utilise only the interest thereon under the orders of Government.

Fl. P_1.

81 Item No. (1) is available. As for item No. (2), it would not be fair to divert the corpus of the deposit as it has been ordered to be treated as a permanent endowment fund for the benefit of this institution. It has been ascertained by enquiry of the Comptroller (vide his note dated 19th July 1928) that the interest on this endowment fund has not been drawn ever since it was formed. This is because the utilisation of the interest required the orders of Government, but so far no such orders have been passed. The accumulated interest is reported to amount to Rs 700-6-3. I do not think it is necessary to add this interest to the corpus

corpus of the fund. It was meant for current expenditure, but it has not so far been utilised for such expenditure. The accumulated interest income on the second item may, in these circumstances, be also considered as available. The aggregate of the two items amounts to Rs 4,561-14-3.

82 The opinion of the Legal Remembrancer has been obtained as to whether it is allowable to divert the funds of this institution for making a grant to the Sarada Vilas High School for enabling it to have a building of its own. He considers that if there is a surplus, it might be devoted to this purpose I think that in view of all the circumstances of the case it is reasonable to hold that the two items aggregating Rs 4,561-14-3 form a surplus which could be diverted for an educational purpose.

83 The Manager of the institution is agreeable to allow a sum of Rs 10,000 belonging to it to be utilised towards the construction of a building for the Sarada Vilas High School. What is available is however only about half of this amount ~~as a building grant-in-aid~~ and it may be paid as a building grant-in-aid to the authorities of the School if it will really help

My dear Mr.Mirza Mahomed Ismail,

Kindly permit me to remind you once more regarding matters concerning Sarada Vilasa High School on which Government Order is promised, for which the institution is anxiously awaiting.

1. The granting of Ten Thousand rupees out of Bakshi Narasappa's Charity Funds regarding which early orders were promised is of the - foremost importance, as the construction of the School and collection of additional funds for the purpose depend on our getting this grant.

The amount of Rs.8,000/- which the Deputy Commissioner reports to be ready may kindly be ordered to be paid at the first instance and the remaining Rs.2,000/- be paid from time to time as money is collected This amount with the Rs.6,000/- we have on hand together with the - Departmental grant will enable us to start the building construction when the construction is begun, the collection of further funds from the generous public will become immediately easy as it will create - public confidence that their charity will become immediately useful & without being locked up.. I pray for the early issue of orders on this point.

2. The School is occupying a number of rooms in the First flo. of the Lansdowne Bazaar Buildings. At first the rooms were given rent free. Subsequently a concession rate of Rs.45-1-0 is being charged. The period of concession expires on the last of July 1928. The management has applied for the continuance of the concession for a further period of three years by which time it hopes to have its - building. I request that the concession prayed for may be granted,

as the Executive Engineer of the Special Division, a copy of those

whose letter is herein enclosed for your kind perusal, is insis on the full rent being paid from the 1st July 1928.

3. The next point I wish to urge upon your kind attention is the question of enhancement of grant. You were kind enough to appoint a committee consisting of Messrs. C. S. Balasundaram Iyer, I. S. Subba Rao, the the Officiating Director, N. Rama Rao, Development Secretary and myself, to investigate several questions about Sarada Vilas High School and make definite proposals to the Government. The enhancement of grant was one of the subjects considered by the Committee. The Officiating Director was quite agreeable to the question of increase, but expressed his inability as no provision had been included in the Budget. He had promised to consider the question of increase favourably if there was any fresh allotment. I earnestly hope that during the current year at least the institution will be given the full grant prayed for.

Action taken in Edn. Section

4. I need hardly say how a private enterprise of the kind suffers seriously for want of adequate support. Considering the importance of English Secondary Education at the present day, any liberal grant is in no danger of being considered as extravagant. It now rests with you to extend your generous hand to help a purely local enterprise in the field of Education, and I am well aware of how deeply the Institution is indebted to you personally for the strong support and sympathy which you were pleased to extend to it at a time of its trial and tribulation in the past.

Thanking you in anticipation,

'C o p y'

Letter dated 2-7-1928 from Mr. M.Venkata Krishnaiya, Hon. Secy., Sarada Vilas High School, Mysore, praying for a building grant of Rs. 10,000/- out of the savings at the credit of the late Bakshi Narasappa's Charities at Mysore for the construction of a building for locating the school.

2. Correspondence ending with D.O. letter No. H.8/A.C. dated 24-7-1928 from the Deputy Commr., Mysore District, on the subject.

Order No. 256-60 dated 166-28 2443 12-4

In Order No. 1356-9/Muz.178-15-2 dated 26-11-1915, Govt. directed that the money received from the tenants for the grant of occupancy right in the lands in the village of Kestur, Yedatore Taluk, awarded for the upkeep of the chattram and temple at Mysore, built by the late Bakshi Narasappa, be deposited as a permanent ~~charitable~~ endowment and that the interest ~~only should be allowed to be drawn by the Manager who should spend the same~~ for purposes of the Charities in such manner as may be approved by Govt.

2. Mr. Krishnaswami Rao, the Manager of the Charities, requested sanction of Govt. for the grant of a sum of Rs. 10,000 out of the funds of the institution for the construction of a building for the Sarada Vilasa High School. This request was negatived in 1923.

The representation has been renewed by the Hon Secy of the School and on a re-examination of the matter Govt Consider

3. ~~The proposal having been renewed, Govt have reconsidered the matter and they are of opinion~~ that there can be no objection to the utilisation of the surplus funds of the institution ~~available for current expenditure~~ for authorised educational purposes.

4. The bulk of the income of the Institution is derived from Devadaya lands. There is sufficient provision for the maintenance of the Charities and the Manager is agreeable to the appropriation.

4 5. It has been ascertained that the balance at the credit of the Charities consists of three items:—

i. sum of Rs. 3,861-8-0 which was first under Revenue Deposits and has now been deposited in the Savings Bank,

ii. A sum of Rs. 4,964-0-0 already approved in G.O. No. 1265-S/Muz.178-15-2 dated 26-11-15 to be invested as a permanent endowment fund for the benefit of the Charities, and

iii. Interest on the endowment to end of June 1928 Rs. 700-6-3.

5. As the second of these items has been ~~permanently paid up as a permanent~~ formed into an endowment, the amount available for appropriation is only Rs. 4561-14-3 being the aggregate of the first item ~~referred to above~~ and the accumulated interest thereon amounting to Rs.700-6

6. The Sarada Vilasa High School which is an aided institution is now located in the Landsdown buildings and the construction of a suitable building ~~to accommodate~~ for the school is very necessary. It is reported that the authorities of the school have on hand a sum of Rs. 6000/- ~~already~~ and that the construction will be started as soon as the grant

asked for is received.

8. In the circumstances, Govt. are pleased to sanction the grant of a sum of Rs. 4561-14-3 out of the funds of the charities for the purposes of the construction of a suitable building for the Sarada Vilasa High School.

9. The Comptroller is requested to arrange in Consultation with the Dir of P.I. the for the payment of the said amount to ~~Mr. Venkata Krishnaiya~~, Hon: Secy. of the Sarada Vilasa High School.

Rao Bahadur M.N. Krishna Rao, Esq., B.A.,

of His Highness the Maharaja of Mysore,

Sir,

I learn that on an application from Mr. M. Venkatakrishniah, Secretary of Saradavilasa High School Committee, Government have since ordered that out of the arrears due in respect of Bakshi Narasappa's charities, a sum of Rs 10,000/- may be made over for the benefit of the school. In this connection I beg to point out that the same question had come up before Government on a previous occasion in the year 1922 when Government has definitely ruled that amounts accruing from Endowments of the charities ought to be used for the benefit of the charity alone and no diversion under any of circumstances can be permitted by Government vide Endorsement No. 4709/Muz. 574-21-22 dated 28-2-1922.(copy attached.)

It may not be out of place for me to state that such diversion by Government is quite foreign to the object of the grant; besides, these charities are not on a sound financial basis and require lot of money for their legitimate demands such as the improvement of the lands and also to keeping up the charities in proper working order as indicated in detail in another application submitted to day separately. In respect of the temple of Sri Subramanya Devaru forming the charities, Municipality have issued a notice to me desiring me to put up within a stipulated period a decent frontage to the temple building and certain additional works as per plans approved by the Municipality and these works which have to be undertaken by me immediately cost 8 to 10 thousand rupees.

I therefore request that on a perusal of the previous records bearing on the subject the order sanctioning the payment of Rs 10,000/- to the Saradavilasa High School may kindly be cancelled and this amount may be made over for the improvement of our charities. I request the favour of immediate orders as I understand that payments are likely to be made to the High School in about a week.
